THIS Catalogue of a small, but select and truly valuable Collection of Pictures, now offered for sale, is divested of all panegyric ; the Proprietor being fully aware, that if their intrinsic merit will not recommend them, no description however elaborate, can enhance their value in the estimation of the Connoisseur.

Many of the Pictures in this Exhibition were purchased by the Proprietor on the Continent, and of which he could not have become possessed, but from the convulsed state of the Countries in which they were bought.

They are now submitted to the judgment of the Nobility and Gentry, with a recommendation seldom or ever attached to Pictures, which is, that each Picture will be warranted the undoubted production of the Master whose name is annexed to it.

Gentlemen who may wish to treat for any of the Pictures, will be pleased to signify their intention to the Person in attendance at the Room, who is furnished with a List of the Prices ; and who will refer Gentlemen inclined to purchase, to Mr. HILL, at the Room, or No. 6, Greek Street, Soho.

## Conditions of Sale.

- I. The Purchaser to pay £25. per Cent. on the Purchase Money, and the remainder at the time of delivery, which may be immediately, or the Pictures may remain on Exhibition until the 31st of July next, at the option of the Purchaser; but if not removed on or before that day, and the remainder of the Purchase Money paid, the deposit to be forfeited.
- II. Each picture to be removed at the expence and risk of the Buyer, whose presence, or written order, will be necessary for the delivery.
